FINAL YEAR PROJECT

TRAFIX

The project is about an online platform for the automobile industry where you can buy/sell your car, bike, or spare parts and, even you can give or take services like renting and maintenance service. The project contains both the web and mobile versions.

Technologies/Languages used

- REACT for the UI of the project
- Node.Js & Express for the Backend of the project.
- Mongodb for the Database of the project.
- React Native for the mobile application of the project.

SOCIAL EXPERIENCE

Kashmir Orphan Relief Trust (KORT)

Designation: Volunteer   2017- 2022

It is a United Kingdom-based registered International non-governmental organization (INGO) which is working throughout Pakistan for the welfare of orphans, disabled persons, and women empowerment. It also supports governments in times of natural disasters and pandemics.

Azad Kashmir Welfare Foundation (AKWF)

Designation: Volunteer   2018- 2022

It is a non-governmental organization (NGO) which is working for the welfare of needy patients by donating medicines and wheelchairs. It also provides blood for thalassemia, blood cancer, and in emergency cases.

Join Hands Organization (JHO)

Designation: Volunteer   2018- 2022

It is also a non-governmental organization which is working for the welfare of needy students by solving their fees and other university-related issues. It also helps school children by giving them school uniforms and sweaters (in winter).
